

LABOUR DAY GETAWAY WEEKEND

What better way to spend a long weekend at the end of the summer than out playing in a dumped canoe, or laying out and enjoying the sun on a dock, or watching the sunset from adirondack chairs on a porch? This year, you can do all that without having to incur the high costs of owning and maintaining your own cottage! Enjoy the last weekend of summer at Camp Oconto with your family at our Labour Day Getaway Weekend! There will not be Oconto staff on hand, so each family will be responsible for carrying out their own activities and supervising themselves.

Each family will be assigned their own cabin and will have the opportunity to socialize with other attendees over communal meals.

The weekend will run from September 2nd to September 5th.
